The Parent Support Group (PSG) offers a wonderful opportunity for parents to connect closely with their children, understand them better, and support them throughout their educational journey. Participation in the West Spring Secondary School's PSG allows parents to be involved in school events, participate in activities with their children and get to know other parents to build meaningful connections. To find more, do visit the school website and click on the 'Partners in Excellence' tab. You can also indicate your interest to be informed of PSG activities by completing the online registration form: <https://go.gov.sg/westspringsecpsg>.

For more information on PSG and access to parenting resources, do visit <https://psg.moe.edu.sg/>.

9. Road Safety

Students are reminded to observe road safety. They include the use of footways, to abide traffic rules at road crossings and to pay attention to the surroundings. For safety, parents who drive their child to school should drop off their child at the School Designated drop off point.

10. Health-related Matters

We seek parents' support to keep schools a safe environment for students.

We seek your cooperation and assistance to remind your child/ward to bring his/her thermometer to school every day, seek medical help immediately should your child/ward be unwell, and not report to school. If your child/ward has travelled to other countries, please inform the school. We also depend on you to emphasise to your child/ward the importance of maintaining a high standard of personal hygiene.

If your child is unwell, please ensure that he/she stays at home and seeks medical attention if necessary. If your child is recovering from respiratory-related illnesses, please encourage him/her to exercise social responsibility (e.g., by wearing a mask, minimising social interactions with big groups).

We appreciate your support and will continue to work with you closely. Let us all do our part to exercise personal and social responsibility and stay safe.

Please note that students who report sick during curriculum time will be sent home only if accompanied by parent/guardian. The parent/guardian may also arrange for private hire vehicle to bring the child/ward home. This procedure is important for the safety of the child/ward. We seek your understanding to adhere to this procedure strictly.

Should you need any further clarification, please do not hesitate to contact us at email: westspringss@moe.edu.sg or phone: 6892 0369. We look forward to your support and partnership in the holistic development of our charges.

Wishing you and your family a Happy New Year ahead.

Thank you.

Yours faithfully
Mrs Belinda Chan
Principal
