Q&A Session

You may ask your questions.

1) Type your questions into the Q&A section.

or

2) Raise hand. Unmute yourself. Please identify yourself before asking the question.

After the talk, if you still have questions, please email or contact the form teacher. (email addresses available in the school website)

Q&A

Q: How is the new L1R4 system affects this batch of students born in 2011? Are they going to take 1 subject lesser compare to the previous batch?

A: New L1R4 means students only require 5 subjects. Bonus points is reduced from 4 to 3. To qualify for JC, the L1R4 is capped at 16 points.
In our school, the number of subjects will be the same.

Q: If my kid take English, math and science in G2 level will she have a chance to transfer to G2 in secondary 3.

A: It is on a case by case basis. We will look at each subject to determine if the child can take that subject at MDL.

Q: Will the school be offering literature?

A: No.
