## Q&A

Q: How is the new L1R4 system affects this batch of students born in 2011? Are they going to take 1 subject lesser compare to the previous batch?

A: New L1R4 means students only require 5 subjects. Bonus points is reduced from 4 to 3. To qualify for JC, the L1R4 is capped at 16 points.  
In our school, the number of subjects will be the same.

Q: Will the school be offering literature?

A: No.

## Q&A

1) Is POA applicable with 2 pure Sciences?

A: No.

2) Under what circumstances, will the child have to take Art subject?

A: If the student is not choosing Pure Sciences and decides not to take Pure Geography, the student will be taking Art.

3) Is POA applicable with A and E Math?

A: It depends on which combination the student choose.

4) Will limitation to 2 sciences limit their JC opportunities and consequently university courses?

A: No.
